

Dear Campers & Parents/Caregivers,

Once again it's time to plan to attend Camp Horizon, making new friends and enjoying sports, swimming, music, drama, art, field trips, entertainment and more! Many of last year's staff members are returning again this summer, and they are looking forward to seeing you!

Enclosed are this year's camp application materials. Please note:

- **Part A** must be completed in full and returned with the \$25 application fee as soon as possible to reserve your space in camp. Please include a photo!
- **Part B** must be signed and completed by your physician. It may be returned later than Part A, but must be received by June 1, 2011 to assure your attendance at camp.
- **Part C** is information for you to read and retain for your records.

By popular demand, we've added an extra session of overnight camp this summer. Be sure to return your application as soon as possible, especially if you are planning to attend overnight camp, as it fills quickly.

Those requesting scholarship assistance (included in Part A) will be contacted by phone once your camp application has been processed. During May all campers will be mailed a final confirmation of your camp dates, a supply list and calendar of theme weeks.

As always, please feel free to contact me if you have any questions, comments or concerns or I would enjoy speaking with you. The best way to reach me is during business hours on my cell phone at 535-6540 or by e-mail to: patricia.coale@theupcenter.org. You can also leave a message at any time on my office voice mail at 965-8630.

We are looking forward to seeing you again this summer!

Best regards,

Patricia J. Coale, MS, CTRS
Director of Therapeutic Recreation
