

Gain Valuable Work Experience

Become a Resource Mothers Volunteer/Intern

starting
Summer/Fall 2010

As a volunteer or intern, you'll provide home visits to prenatal and parenting teenage mothers and fathers to help with prenatal healthcare, childbirth preparation and parental training. Volunteer training will be provided, along with college credit if applicable. A one year or two semester commitment is requested. Human Service majors and majors in the health field are encouraged to apply, as are volunteers with parenting experience. For consideration, please submit your resume and/or letter of interest to our Volunteer Coordinator, Ms. Cynthia Wills, at volunteercoordinator@theupcenter.org.
