

PARENTS AS TEACHERS 2016 PARENTING PLEDGE

Being a parent isn't always easy. It means being a positive influence in a child's life by learning how to balance well-meaning direction, nurturance and guidance. By signing this pledge, I agree to practice behaviors to:

create a healthy space for children to grow and thrive.

help shape family values and morals.

encourage all children to be fair and kind to others.

respect each child's unique personality and spirit.

influence all children by being a positive role model.

support a child's dreams.

help a child to nurture their need for love & acceptance.
